Year (construction end)	1978
--------------------------------	------

Features & Amenities

- Observation floor is available

Facts

- At the time of completion, the elevators were the fastest in the world at 600 meters per minute. This means a roughly 35 second ride to the 60th floor.
- The Sunshine International Aquarium on the eleventh floor keeps, among many marine animals, Ocean Sunfish.
- The Sunshine 60 tower was Japan's tallest building at the time of its completion in 1978.

- The Sunshine Starlight Dome inside the building is a newly reformed planetarium. It is equipped with the digital image system SKYMAX. The number of fixed stars projected onto the dome has been increased in the recent reform to more than 400,000.
- This is currently the tallest building in Toshima-ku.
- Offices occupy floors 10 to 57. On the lower floors workers have access to a post office, banks, showrooms, cafeterias, a health care center, and a day care center. Restaurants featuring panoramic views are located on the 58th and 59th floors.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
