Years and costs

Year (construction end) 1993

Features & Amenities

- One of the city's famous buildings
- Helipad is available

Facts

- Tallest building in Japan.
- 2 tuned dampers are located 282m above ground level.
- Currently has the world's second fastest elevator - traveling at 750m/min.
- The Yokohama Royal Park Hotel occupies floors 49 to 70 of the building, making it Japan's highest hotel. The lower 48 floors are used as offices and retail.
- The building will be usurped as the tallest in Japan when the Nishi Shinjuku project is built in 2010, with its 77 story tower.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors
- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities
- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors
- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work
- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
