Floors (overground)	37		

Years and costs

Year (construction start)	1999	Year (construction end)	2001
----------------------------------	------	--------------------------------	------

Facts

- The building consists of two elements which are connected over almost the whole height. That's why the complex is only listed as one building.
- The lower element consists of 34 floors and has a height of 127 meters.
- Der Zwillingstum besteht aus zwei Hochhaustürmen, die fast bis zur vollen Höhe über mehrere Brücken verbunden sind. Daher sind die Vienna Twin Towers als ein Gebäude hier eingetragen.
- Der kleinere Turm besteht aus 34 Geschossen und hat eine Höhe von 127 Metern.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
