Facts

- With over 200 retail shops, an interior design store, a medical clinic, a car showroom, a three-star hotel, an entertainment center and a couple of supermarkets, Blue City is an ultra-modern and the biggest shopping mall in Poland.
- The main atrium features a fountain spouting water 26 meters up and decorated with 2 million mosaic plates.
- The structural height of the building - 55 meters is actually the tip of a fully glazed dome enclosing the main atrium.

- The exterior shape was designed by , thus it resembles the design of Millennium Plaza.
- The building was constructed several years ago by Turkish investors under the name "Reform Center." The interiors were not finished but, in 2002, the uncompleted mall was taken over by a new owner and Blue City was established.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
