Facts

- The building contains the Marriott Pinnacle accessible from 1128 West Hastings on the building's north side and a condominium, The Vantage, accessible from 1111 West Pender on the south side.
- Called Delta Pinnacle first 3 1/2 years after opening.
- The tower has a total of 434 suites with the hotel occupying 25 floors and condos the remainder.
- Design of the 165-seat gourmet restaurant was overseen by executive chef Bruce Knapkik, a gold medal winner at the Culinary Olympics in Germany.
- Lobby has 50-foot-high curvilinear glass curtain-walls.
- The signature egg-shaped roof crown is nearly three storeys of structural steel braced back to the roof for wind strength.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
