Height (roof)	159 ft	Gross Floor Area (GFA)	Contact us
Height (main roof)	147.76 ft		

Years and costs

Year (construction start)	1908	Year (last renovation)	1998
Year (construction end)	1910		

Features & Amenities

- One of the city's famous buildings

Facts

- The city's first steel-framed tower has a 3-storey mansard roof that crowns the tower.
- The facade features Burmantofts terra cotta from Leeds and polished red granite columns from Aberdeen.
- The two-storey main entrance is fitted with bronze-plated metal and polished wood.
- In 1910, the Dominion Trust Company occupied the ground while the floors above accommodated 300 offices, 22 per floor.
- The 40-foot flag pole flew the British flag for years after the building was completed (Canada did not adopt its own official flag until 1965).

- City of Vancouver Heritage Award winner in 1998 for restoration of terra cotta cladding.
- There is a popular myth that the architect fell to his death down the building's circular staircase, while on an inspection tour. The truth is he died in his bed on October 29, 1919.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
