- A two-level riverwalk runs along the east side of the building.
- The lobby is landscaped like a Japanese garden with combed pebbles and bamboo groves.
- The building is the new home of the Boeing Company, which decided on 10 May 2001 to move to Chicago from Seattle.
- A clock tower on the east side is visible up and down the Chicago River. The only clock tower in the United States taller than this is the Metropolitan Life Tower in New York.
- The 18-story Butler Brothers Warehouse II stood on this site for seven years, from 1913-1920.
- The architects were recognized with an Honor Award from the American Institute of Architects in 1993.
- The building previously housed the headquarters of the Morton Salt company.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
