**Years and costs**

| Year (construction start) | 1959 | Year (construction end) | 1964 |

**Features & Amenities**

- One of the city’s famous buildings
- Balconies are available
- Boat slips are available
- Doorman is available
- Laundry room is available
- Storage space is available

**Facts**

- This tower is closer to the river than its eastern Marina City I, and is located at the southwest corner of the lot.
- This was featured in Steve McQueen's last movie, The Hunter. In one scene the hero chases a criminal 15 levels up the spiral parking ramp until the villain loses control of his Grand Prix and drives off the garage into the river.
- Directly north is an unusual saddle-shaped auditorium, the original Marina City theater building. It was vacant for many years before being converted into the popular House of Blues in the 1990s.

**Involved companies**

**Architect**

Bertrand Goldberg & Associates  
721 North Michigan Avenue  
60611 Chicago  
U.S.A.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors
- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities
- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors
- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work
- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
