Facts

- At one time this was reputed to house more Nobel Prize winners than any other building in the world, including 1976 literature laureate Saul Bellow.
- The tower is in the shape of a cross, with each branch cantilevered over the base.
- The architects (Bruce Graham & Robert Diamant of SOM) and construction company were presented the 1968 Honor Award by the American Institute of Architects' Chicago Chapter and the Chicago Association of Commerce and Industry.
- The entrance lobby consists of a very small passage bisecting the base.
- The building has only two apartments per floor, and each one has exposures in three directions.
- The tower is affectionately known by locals as "Steinhenge".

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
