Years and costs

| | | | |
|----------------------------------|------|--------------------------------|------|
| Year (construction start) | 1979 | Year (construction end) | 1982 |
|----------------------------------|------|--------------------------------|------|

Facts

- There was a workplace shooting in this building in 1993. A disgruntled client entered a law firm and killed eight people.
- The tower is cylindrical in shape with articulated edges of alternating bands of granite and glass featuring a seven-story, glass enclosed lobby at its base, and a granite paved triangular plaza which contains seasonal flowers, seating and a fountain.
- Located in the heart of San Francisco's financial district, 101 California is a 48-story tower encompassing 1,200,000 square-feet of office space.
- Tower's entrance reminds one of the main entrances of 101 Park Avenue, another work by the same architect, and completed the same year in New York.
- The Spreckels Building formerly stood at the southeast corner of this site.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
