Architectural style	Art Deco		

Spatial dimensions

Height (estimated)	150.29 ft	Floors (overground)	12
---------------------------	-----------	----------------------------	----

Years and costs

Year (construction start)	1929	Year (construction end)	1933
----------------------------------	------	--------------------------------	------

Features & Amenities

- National landmark

Facts

- The Badgerow Building, termed the "Monarch of the City," was the tallest building in Sioux City for many years.
- It is the city's outstanding example of Art Deco architecture.
- Its terra-cotta facade is designed with alternating bands of vertical piers and windows highlighted with geometric ornamentation in terra-cotta and bronze.
- A favorite theme is the Indian head, seen at the entrance and along the parapet, meant to evoke the city's past.
- The lobby has walls of black Belgian marble and pink Tennessee marble, with floors of patterned terrazzo.
- It is listed on the National Register of Historic Places.
- It was named one of the 50 Most Significant Iowa Buildings of the 20th Century by the Iowa chapter of the American Institute of Architects.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
