## Years and costs

<b>Year (construction start)</b>	1969	<b>Year (last renovation)</b>	1998
<b>Year (construction end)</b>	1972		

## Facts

- 8350 US tons of structural steel were used to frame the building.
- Renamed BellSouth City Center in July 1998 after an \$80 million renovation.
- Each of the four logos atop the tower feature the AT&T name and a striped globe, each weighing 800 pounds, with a 16 foot diameter. The total weight for each sign is just over one ton.
- The tower is rotated 45 degrees relative to the street grid.
- Renamed AT&T City Center in June 2007 to reflect AT&T's successful acquisition of BellSouth. Its new AT&T signage was unveiled during a ceremony on June 21, 2007.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
