<tr>
<td>Year (construction end)</td>
<td>1918</td>
</tr>
</tbody>
</table>

**Features & Amenities**

- National landmark

**Facts**

- The first air-conditioned hotel in the United States, the Statler Hotel, later the Gateway Hotel, operated continually until 1987, at which time the building was closed.
- The Renaissance Grand Hotel consists of the original Statler Hotel tower and a 23-floor addition, which was constructed in 2001-2002. The HRI Group developed the property, which opened in February 2003.
- Fire Insurance Maps indicate that the original Statler Hotel tower was 256 feet tall.
- It was added to the National Register of Historic Places in 1982.
- The new tower addition stands on the site formerly occupied by the Lindell Building.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors
- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities
- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors
- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work
- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
