Height (main roof) 114 ft

Years and costs

Year (construction end) 1985

Facts

- The building was developed as part of an urban renewal project, which also included the development of the One Michigan Avenue on the block adjacent to the west, and the Lansing Center Convention Center across the Grand River.
- This is the only hotel in downtown Lansing because of a "gentlemen's agreement" between the city and the hotel making it very difficult for any new hotel to open downtown.
