Years and costs

Year (construction start)	1918	Year (construction end)	1919
----------------------------------	------	--------------------------------	------

Facts

- The First Security Building was to be demolished in 2007 to make way for the multi-block City Creek Center development. A new office tower was planned for this location.
- Utah historic preservationists succeeded in getting the LDS church to reconsider their demolition plans in late October. Other uses are being considered as part of the large-scale redevelopment, though demolition could still happen.

Involved companies

Architect.....
Cannon & Fetzer
 Salt Lake City
