City Name: La Porte

Description:

Facade Material: limestone
Architectural style: Art Deco
Facade Color: white
Main Usage: commemoration, observation

Spatial dimensions:

Height (structural): 570.01 ft
Height (top floor): 489.01 ft
Height (tip): 570.01 ft
Height (obs. deck): 489.01 ft

Years and costs:

Year (construction start): 1936
Building costs: $1,500,000
Year (construction end): 1939

Features & Amenities:

- State/province landmark
- National landmark
- Observation floor is available

Facts:

- World's tallest monumental column.
- The tower's base holds a museum and art gallery, and there is an observation level just under the star.
- The column is an octagonal shaft faced with Texas Cordova shellstone, topped with a 34-foot Lone Star - the symbol of Texas.
- The 34-foot star at the top weighs 220 tons.
- The star at the top of the column underwent some renovations in 1992.
- The second tallest monument in the United States; the tallest is the Gateway Arch in St. Louis, Missouri.
Involved companies

Architect

Alfred Charles Finn
Houston
U.S.A.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
