## Facts

- On the 50th floor, Roppongi Academy Hills features a school, library, cultural center, and conference center.
- Lights around the centre of the building mimic a graphic equalizer moving to the rhythm of music.
- This tower is truly built on a hill: traffic goes through the hill and winds around the foundations of the building.
- On the 51st floor, Roppongi Hills Club offers restaurants, clubs and bars.
- On the 53rd floor, the Mori Arts Museum will present a vast variety of fine arts exhibits, featuring Japanese and international artists' abilities.
- Mori is a wealthy local landowner.
- On the 52nd floor, Tokyo City View, as the observation deck is called, offers fine day and night time viewing of the city scape.
- On the 54th floor, Tokyo Sky Deck, an open air viewing area, offers stunning views of the city.
- The tower is located in the trendy Roppongi district and serves as a landmark in the area.
- Three floors of malls, with shops, cafes, restaurants, and theatres, are used by thousands of people every day.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
