Features & Amenities

- One of the city's famous buildings

Facts

- Was built to resemble smashed up guitars.
- There are no right angles on the exterior of the EMP.
- Financed by Multi-Billionaire and Seattleite Paul Allen.
- The "Sky Church" was a tribute to Seattle native, Jimi Hendrix.
- Also home to the Science Fiction Museum and Hall of Fame which opened in 2004.
- About 3,000 panels with more than 21,000 shingles cover the exterior.
- The 64-foot-high atrium of the Sky Church features a 40-by-70-foot LED screen.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
