-------------------	-------------------

## Spatial dimensions

<b>Gross Floor Area (GFA)</b>	<a href="#">Buy full PDF</a>
-------------------------------	------------------------------

## Years and costs

<b>Year (construction start)</b>	2002
----------------------------------	------

## Facts

- The building is only known as "Insular Life redevelopment" at this point.
- This building will replace the old Insular Life Building at the corner of Ayala Avenue and Paseo De Roxas Avenue.
- Originally planned to be built by the Insular Life Corporation as a new headquarters building, plans to demolish the old building to make room on the site failed. Instead,

the building underwent a redevelopment and modernisation process including new cladding.

- Ever since Insular Life Corporation moves its new corporate headquarters to Muntinlupa, the project has been cancelled. The Insular Life Building houses the local head offices in Makati.
