Years and costs

Year (construction end)	1980	Year (last renovation)	2001
--------------------------------	------	-------------------------------	------

Facts

- The building has been repaired since it was damaged by a tornado in 2000. The facade was updated and given a more modern look. The floorplates were enlarged since the outer walls were pushed out another foot or so. So overall the building now has more floor area.
- The building was heavily damaged, almost completely destroyed in an F2 tornado in 2000. Repairs were completed in 2001.
