- Business center is available
- Doorman is available
- Hospitality room is available
- Media room is available
- Swimming pool is available

Facts

- The residences of Skyline at Mary Brickell Village will start on the 11th floor, above parking and a retail component.
- Each unit will be equipped with "Condos of the Future" interactive panels.
- Although a postmodern design, the building's multi-colored facade will be very expressive of Miami's prevalent art deco style.
- The building will offer residents a resort-style swimming pool and cascading hydrotherapy waterfall.
- The building will have an impressive porte-cochere entry with a mystical water fountain.
- The building will feature an intimate "jewel box" lobby.
- Atop the building's parking garage base will be a 40,000 square foot tropically landscaped recreation deck.
- Windows and sliding glass doors will be of hurricane resistant glass throughout.
- The building will contain three different unit ceiling heights: 14 feet ceilings on floor 11, 9 feet ceilings on floors 12 through 32, and 10 feet ceilings on floors 33 and 34.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
