----------------------------------	------	--------------------------------	------

Facts

- The dome is 53.6 meters tall, 33.4 meters from the inside.
- Dimensions are 51 by 81 meters on the exterior and the interior is 48 by 66 meters.
- Built to commemorate the revival of Szeged after the big flood destroyed large parts of the city.
- Europe's third largest organ with 9040 pipes ranging from 1.5 centimeters to 5 meters long.
- Built on the site of the 11th century Dömötör Church, patron saint of the fishermen and the peasants, which was destroyed in the big flood.
- 5 Bells, with Hungary's largest at a diameter of 2.3 meters weighing 8537 kilos.

- Construction was halted during WW1, work continued in 1925.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
