Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

• 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
• Choose from a broad range of regional data packages – or create your own
• Powerful and fast search for in-depth analysis
• Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
• Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

• Get contact information for over 160,000 companies
• Search for companies related to specific construction projects or generate lists according to particular fields of activity
• Find new clients and business partners or connect with key players in new markets
• Forecast trends and future market growth
• Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

• Get constantly-reviewed data from around the globe
• 24/7 access to the database from anywhere in the world
• View detailed information about existing buildings as well as those planned and under construction
• Save your searches for easy future reference
• Receive email notifications about new content fitting your criteria

Download data and put it to work

• Export information easily to CSV/Excel files
• Individually select data fields for your specific needs
• Integrate the data into your own internal system
• Provide your staff with actionable data
• Benefit from limitless downloads within your chosen package
